DISTRICT OF NEVADA

10

11 UPEXI, INC., a Nevada corporation,
 12 Plaintiff,
 13 v.
 14 DOES 1-100; ROE CORPORATIONS 1-100;
 AND XYZ LLCs 1-100,
 15 Defendant.

Case No.: 2:24-cv-02185-JCM-MDC
STATUS REPORT

17

18 Plaintiff Upexi, Inc. (“Plaintiff” or “Upexi”), by and through its counsel of record, the law
 19 firm of Dickinson Wright PLLC, files its Status Report in accordance with the Court’s Order
 20 Granting Ex Parte Motion to Conduct Limited Expedited Discovery to Determine the Identity of
 21 Unknown Defendants (ECF No. 7).

22 1. On November 2, 2024, Plaintiff filed its Complaint, which alleges that unknown
 23 defendants engaged in a market manipulation scheme to defraud Upexi out of 202,183 shares of
 24 stock. (Compl., Summary, ECF No. 1).

25 2. The Complaint alleges the broker-dealers that executed the trades know the
 26 identities of the accounts making the fraudulent trades. *Id.*

27

28

1 3. The Complaint asserts two claims for relief against Does 1-100, Roe Corporations
 2 1-100, and XYZ LLCs 1-100: (1) Violation of Section 10(b) of the Securities Exchange Act of
 3 1934 (Market Manipulation); and (2) Declaratory Judgment.

4 4. On January 15, 2025, the Court entered an Order Granting Ex Parte Motion to
 5 Conduct Limited Expedited Discovery to Determine the Identity of Unknown Defendants (ECF
 6 No. 7). The Order granted Plaintiff leave to conduct limited discovery and serve subpoenas on
 7 eight broker-dealers: (1) Apex Clearing Corp. (“Apex”); (2) National Financial Services LLC
 8 (“NFS”); (3) Charles Schwab; (4) Robinhood Securities (“Robinhood”); (5) Bear Stearns; (6)
 9 Pershing LLC; (7) Morgan Stanley; and (8) Phillip Capital.

10 5. Following the Court’s Order, Upexi issued and served subpoenas on seven (7) of
 11 the broker-dealers. Upexi did not issue or serve a Subpoena on Bear Stearns as the broker no longer
 12 exists. Upon information and belief, Bear Stearns was sold to JPMorgan in 2008 and it appears the
 13 accounts at issue are held at JPMorgan.

14 6. Initially, the broker-dealers that responded to the subpoenas objected to producing
 15 information without a protective order.

16 7. On February 18, 2025, Upexi filed an Ex Parte Motion for Protective Order (ECF
 17 No. 8) to facilitate the production of information by the broker-dealers.

18 8. On February 21, 2025, the Court entered a Protective Order (ECF No. 10).

19 9. Upexi has provided the Protective Order to Apex, NFS, Charles Schwab,
 20 Robinhood, Pershing LLC, and Morgan Stanley.

21 10. As of the date of this Status Report, the status of each Subpoena is as follows:

22 a. Apex – Upexi and Apex have been working together in good faith. On
 23 March 3, 2025, Apex informed counsel it is still working on the contact
 24 information for the accounts it has identified.

25 b. NFS – Upexi and NFS have been working together in good faith. On March
 26 3, 2027, NFS indicated it has identified an issue and needed more time for
 27 its production.

c. Charles Schwab – Upexi and Charles Schwab have been working together in good faith. On March 3, 2025, Charles Schwab indicated it needed more time for its production.

d. Robinhood – On February 26, 2025, Robinhood produced documents Bates labeled LIT-16752_00000001-327, which it designated as CONFIDENTIAL.

e. Pershing – On February 25, 2025, Pershing produced documents Bates labeled (BNY-000001 – CONFIDENTIAL).

f. Morgan Stanley – Upexi and Morgan Stanley have been working together in good faith. Morgan Stanley requested an extension through Friday March 7, 2025. Upexi informed Morgan Stanley it would seek an extension from the Court.

g. Phillip Capital – Upexi has not received any response from Phillip Capital. Phillip Capital was served with the Subpoena on January 22, 2025. The Subpoena included a return date of February 7, 2025. On February 17, 2025, Upexi wrote to Phillip Capital to request a meet and confer. To date, Phillip Capital has not provided any response to the Subpoena or to the February 17, 2025, letter.

19 11. Based on the foregoing, Upexi respectfully requests a fourteen (14) day extension
20 through March 17, 2025, to complete the discovery authorized by the Court's Order (ECF No. 7).
21 Upexi believes this extension will provide sufficient time to receive document productions from
22 Apex, NFS, Charles Schwab, and Morgan Stanley.

23 12. Upexi further requests thirty (30) days from the close of expedited discovery (April
24 16, 2025) to analyze the data received, which involves thousands of accounts making trades of
25 Upexi stock, and seek to amend its Complaint to name specific defendants. Good cause exists to
26 extend the deadline to serve unknown defendants in light of Upexi's diligence in pursuing
27 expedited discovery to identify unknown defendants. *See Fed. R. Civ. P. 4(m); see Cuevas v.*
28 *Davila*, 618 F. Supp. 2d 124, 132 (D.P.R. 2009) ("Where unknown defendants exist, however,

1 courts must take into account a plaintiff's good faith investigation to determine if 'good cause'
2 exists not to comply with Fed.R.Civ.Proc. 4(m).").

3 DATED: March 3, 2025.
